"What confuses you most about girls?" — Reported by Wendy Paris

				
<p>"Their strange obsession with holding something in their hands while talking. They're always playing with their hair."</p> <p><b>MARCEL</b>, 17 SAN JOSE, CA</p>	<p>"I just don't understand why the majority of girls choose to go out with jerks. Girls complain of being hurt by guys, but they still date the bad ones."</p> <p><b>ANTONIO</b>, 16 BROOKLYN, NY</p>	<p>"Why does it take them so long to get ready? My girlfriend will try something on and then change three times, when the first outfit looked good."</p> <p><b>TRAVIS</b>, 18 RENO, NV</p>	<p>"Once I told a girl I would maybe see her at a party. The next day she said I didn't pay enough attention to her. Why do girls blow things out of proportion?"</p> <p><b>MICHAEL</b>, 15 HILLSDALE, NJ</p>	<p>"Even when a girl likes you, she won't always show it. Girls are flirty one day, and the next day they're not. A guy can get mixed signals."</p> <p><b>BRANDON</b>, 17 ROCKWELL, TX</p>
